

I am a listner of K-LOVE, 96.9, Troy, Ohio. It is an enjoyable station with uplifting, encouraging music. Most of my friends listen to this station also. This station supports wholesome family values, and, I believe, has a positive encouraging impact on my community. It provides acceptable music and other programs for all ages. It encourages good morals, respect, obedience to the law, accountability, etc. Those good positive values would be lost if K-LOVE were replaced by an LPFM station providing other programming. Thank you for listening. Mrs. Ann Bratton
